This freehold three bedroom converted steading forms part of a sympathetic courtyard development by respected local builders Tulloch of Cummington and is situated in the village of Alves, just a few miles from Forres, Elgin and local amenities.

Renovated in 2008 and with a new replacement slated roof, the property has had a full internal fit-out with new insulated floor, walls and ceiling, together with double glazed upvc windows to building regulation standards. This is, in effect, a new-build home with all the advantages this offers, within the character of a solid stone walled outer shell.

In good order throughout, the accommodation comprises: Hallway with storage cupboards, open plan living room and sun room, three double bedrooms, one with en suite shower room, a family bathroom, open plan kitchen and dining room with feature skylights and patio doors to the garden, and a separate utility room. The property benefits from double glazing and under floor heating provided by an electric wet heating system.

There are private garden grounds to the front and rear of the property, while a shared driveway leads to the detached single garage and private parking area.

This would make an ideal family home and we highly recommend a viewing.
